EXPERIENCE

Feb 2025 - Present

Product Owner · LoopOS

- Leading market research.
- Defining requirements for crucial use cases, like C2C and Renting.
- Validating UX solutions.

Oct 2023 - Feb 2025

Team Lead · LoopOS

- Led a team of developers.
- Gained valueable management skills.

Jul 2019 - Oct 2023

UX/UI Designer · The Loop co

- Collaborated cross-functionally as a UX/UI designer and frontend developer.

Projects: Designed a UX/UI solution for the Covid-19 emergency (3M+ tests) and later for the flu vaccination, streamlining scheduling and workflow processes.

Tools: Figma, React, Ruby on Rails, Git

2017 - 2023

Co-founder & Graphic Designer · Capivara Azul

- Designed print/digital assets aligned with brand guideline.
- Supported event production, gaining valuable teamwork and networking experience.
