EXPERIENCE

Jul 2019 - Present

UX/UI Designer · The Loop co

Led a team of developers in a circular economy ecosystem platform, collaborating with major partners like Decathlon, FNAC, and OLX to deliver scalable, user-centric solutions.

Designed UX/UI solution for national Covid-19 emergency (3M+ tests) and flu vaccination, streamlining the scheduling and workflows, with partners like the Portuguese Red Cross and National Association of Portuguese Pharmacies.

Designed an app for reverse vending machines, enabling the collection of 3M+ plastic bottles with intuitive user interfaces.

Collaborated cross-functionally as UX/UI designer and frontend developer to consistently deliver user-friendly solutions within tight deadlines.

2017 - Present

Co-founder & Graphic Designer · Capivara Azul

Designed and produced a variety of print and digital assets, including marketing materials and promotional content, aligning with brand guidelines.

Assisted in the production of multiple events, gaining valuable experience in collaboration, teamwork, and networking with diverse professionals.
