EXPERIENCE

Jul 2019 - Present

UX/UI Designer · The Loop co

Led a team of developers in a circular economy ecosystem platform.

Partners: Decathlon, FNAC, OLX, and many more

Designed UX/UI solution for national Covid-19 emergency (3M+ tests) and flu vaccination, streamlining the scheduling and workflows.

Partners: Portuguese Red Cross, National Association Portuguese Pharmacies

Collaborated cross-functionally as UX/UI designer and frontend developer to consistently deliver user-friendly solutions within tight deadlines.

2017 - 2023

Co-founder & Graphic Designer · Capivara Azul

Designed and produced a variety of print and digital assets, including marketing materials and promotional content, aligning with brand guidelines.

Assisted in the production of multiple events, gaining valuable experience in collaboration, teamwork, and networking with diverse professionals.
